INFORMATION:

Playing or participating in any sporting activity carries its own risks. Martial Arts is a contact sport and accidents happen, with potentially devastating effects.

The EKF Personal Accident policy is designed to help Instructors in cases of the most serious of injuries, fortunately quite a rare occurrence. It is impossible for EKF to purchase a policy that suits the individual needs of every member.

Instructors are encouraged to take responsibility for their own personal circumstances and consider taking out top up, tailor made individual personal accident policies to protect their income and assets in the event of an injury sustained whilst participating in their chosen martial art.

Individual Personal Accident quotations are available from info@stbinsurance.co.uk

MEMBER PUBLIC LIABILITY INSURANCE

Under the Public Liability Insurance Participant to Participant Liability is excluded but Member to Member Liability is included, what is the difference?

Participant to Participant Exclusion:

Any Personal Injury caused by and/or contributed to, by any Insured Member to any other Participant in a bout and/or practice in regards to EKF activities is excluded.

Participant to Participant is the Liability of one Participant to another e.g. a Participant injures an opponent in a bout and the opponent brings an action against him. This is NOT covered.

A **Member** as defined in the Policy wording is:

Member” means any member, temporary player or other person actively engaged in and appropriately registered for the purpose of taking part in EKF activities”

Member to Member cover is the liability of one Member to another Member provided that they are not a participating in the Sport e.g. a member accidentally shuts another member’s fingers in the door of the dressing room.

So, in summary, Member to Member Liability is covered but Participant to Participant Liability is excluded.
